Mu chapter is excited to announce new and unique plans for the 7th annual Jam for Cam charity event. Jam for Cam is a verified non profit organization with the mission of bringing the community together through music to honor the life of Cameron Fearon (Mu 2719) who lost his battle to melanoma. Jam for Cam grounds itself on the basis of raising money for Melanoma research and awareness, and has grown exponentially each year with money raised and community support, with a total of over \$800,000 raised since our first event in 2018. Jam for Cam is excited to announce that because of the growing support the event will be held for the first time ever in downtown Athens! On March 29th, Jam for Cam will take place on College Avenue in downtown, the streets of Athens will be shut down starting at noon as well as bars and restaurants being open for business. The event will start in the

afternoon and end around midnight, more details will be coming out as the event approaches. We are extremely excited and grateful for the brothers of Mu chapter who help support the mission and keep this amazing event alive.

## **Tennessee Tailgate / SEC Championship**

On Saturday, November 16, Mu Chapter hosted a tailgate for the UGA vs. Tennessee game. Running all the way until game time, the tailgate featured food trucks and refreshments. Two bands and a DJ performed throughout the day, including notable country singer Evan Honer. Nearly all brothers and hundreds of guests were in attendance. With the brothers fired up from a memorable day of tailgating, we were ready to blackout the stadium and cheer on the Dawgs to victory. The Dawgs continued their streak at the SEC

Championship game, where dozens of brothers were in attendance to cheer on the Dawgs as they won their third SEC Championship title under coach Kirby Smart.

## Greek Night

On November 17th, UGA StuMo (Student Mobilization) hosted a Greek Night message at the Sigma Nu house. UGA StuMo is an organization committed to helping students in Greek life grow in their faith and character through weekly small group discussions. While the discussions are usually separated by chapter, the organization expanded this year, and began hosting monthly discussions anyone in Greek life can participate in. After a dinner of Raising Canes, students turned to team member Matt Boyer for a valuable discussion, helping advance our relationship with both God and each other. Coupled with our weekly discussions with team member Joe

Kimerle, we are excited to continue supporting Uga StuMo as they help grow our faith.

## Franzia

On December 3rd, Mu Chapter hosted our annual date night known as Franzia. Brothers bring their dates to the house to indulge in the culture of the French. With a violinist, cellist, and charcuterie board, brothers felt like they were in the middle of Paris itself. The celebration marks the end of the year and the start of finals week, allowing everyone to enjoy one last social event before the semester's end.

### **Alumni Networking Program**

One of the greatest advantages of being a part of such a highly esteemed chapter is the opportunity to connect with our alumni, who provide a helping hand in guiding current members toward their professional goals. In an effort to strengthen this relationship, a networking program has been created to give upperclassmen access to willing alumni that can be a resource for advancing their to-be careers. If you or anyone you know would be interested in being a readily available resource for the chapter, please email [mualumnichair@gmail.com](mailto:mualumnichair@gmail.com).

### **In Search of Speakers at Mu Chapter**

In order to strengthen the professional development of Mu Chapter, we would like to institute a speaker series as a part of our LEAD program. If you or anyone you know would like to speak at Mu Chapter to discuss your career and professional development in your industry, please reach out to [mualumnichair@gmail.com](mailto:mualumnichair@gmail.com).

Happy New Year from your new Alumni Relations Team,

Mac Lovein (Mu 2956)
